

Results You Can Measure
From Footing to Finish Line

40-50% Increase in Service Capacity

PEOPLE SERVED DAILY

~800 today ~1,160 tomorrow

With higher velocity and reduced length of stay enabled by a purpose-built center.

MEALS PRODUCED

~232,000 today ~337,000 tomorrow

Ensuring consistent nutrition during transition.

PERMANENT HOUSING PLACEMENTS

~2,453 today ~3,557 tomorrow

Rates powered by rapid rehousing and owner engagement.

YOUTH PROGRAMS

~91 today ~131 tomorrow

Going from 91 participants annually to 131 participants annually.

NURSERY & CHILDCARE PROGRAM

~37 today ~54 tomorrow

Increasing from 37 participants to 54 participants.

Healthcare Access

On-site clinic reduces avoidable ER visits and calls to Emergency Services by 50% and improves family wellness, both mentally and physically.

Translation: fewer interruptions, stronger stability, and more families crossing the threshold into permanent homes.
